## In the School-Room Chapters in the Philosophy of Education

John S. Hart (1810 - 1877)

**“In the first place, teaching is not simply telling. A class may be told a thing twenty times over, and yet not know it.**

**Talking to a class is not necessarily teaching. I have known many teachers who were brimful of information, and were good talkers, and who discoursed to their classes with ready utterance a large part of the time allotted to instruction; yet an examination of their classes showed little advancement in knowledge.”** *(from Chapter 1, “What is Teaching”)*

**Running time 08:11:40**
